

Health & Safety Exemption Requirement

Faith Baptist Bible College and Theological Seminary (FBBC&TS) adheres to all requirements pertaining to the protection of student information. Information about the confidentiality of student records can be found online at <https://www.faith.edu/academics/ferpa/>. However, there are limited exceptions to FERPA regulations under which FBBC&TS is permitted to disclose education records or personally identifiable, non-directory information from education records in connection with a health or safety emergency without student consent. The situation must present imminent danger to a student, other students, or members of the school community in order to qualify as an exception. This action is not taken lightly and only under circumstances that present imminent danger.
