**Institutional Mission Statement**

The mission of Faith Baptist Bible College and Theological Seminary, as a fundamental Baptist institution of Christian higher education, is to prepare vocational Christian workers and ministry leaders for local churches throughout the world.

**Department Mission Statement**

The Biblical Studies Program exists to instruct ministry workers in the great truths of Scripture and to train biblical servants in exposition, communication, and application of the Word of God. While all four-year graduates at FBBC have a Bible major, the Biblical Studies Program degrees enhance this biblical emphasis and stress the development of exposition skills.
