Dear President Tillotson:

I am pleased to inform you that on November 17, 2021, the State Board of Education granted full approval of the educator preparation program offered by Faith Baptist Bible College. This action follows an on-site review and evaluation of how the programs meet Iowa's Standards for Practitioner Preparation. Approval continues until the next full approval review scheduled for the 2027-2028 academic year.

Congratulations to the entire Faith Baptist Bible College community for offering and sustaining a high quality educator preparation program.

Sincerely,
