

Tim & Sandy Capon Bio (September 2023)

Tim and Sandy grew up in religious and unsaved homes. They came to Christ for salvation in 1983 in their late 20s, after Tim's brief career as a civil engineer. During his training for pastoral ministry at Faith Baptist Bible College Tim started pastoring in South Des Moines. Sandy worked alongside him in ministry and homeschooled their three children. They actively involved their children in ministry in every way they could. They served the Lord in pastoral ministry for over 28 years: five years in South Des Moines, and then 23+ years in Carroll, Iowa.

In May of 2014, the Lord directed Tim to a change of ministry serving as the State Rep. of the Iowa Association of Regular Baptist Churches (IARBC). He also serves on the boards of Faith Baptist Bible College and Men for Christ. Both of them have a burden for the lost, marriages and families, healthy churches, and personal discipleship. They enjoy several outdoor activities together including camping, biking, kayaking, and turkey hunting. God has blessed them with over 46 years of marriage, three children along with their spouses, and 11 grandchildren.
