FUNDAMENTALS OF BIBLICAL COUNSELING AND DISCIPLESHIP

AUGUST 19-23, 2024

1:00-6:00 PM

DR. JEFF NEWMAN

This class explores key aspects of a Biblical philosophy and methodology of counseling along with foundational Biblical teaching on confession, repentance, forgiveness, anger, conflict, and helping those who suffer. Students who participate in this class can expect to grow in their own life of godliness and their ability to assist others on the path of progressive sanctification. The cost for a conference audit is \$100, payable on the first day of class. A pdf of the course notes will be available to all students on the course website, and a workbook for the course will be available for purchase in the Faith Bookstore on or before the first night of the course. Students wishing to take the course for credit should contact the registrar for information on application procedures and pricing.
